

Security 365's Affordable & Lockable Aluminium Plantation Shutters

Security365's ShutterGuard® Lockable Aluminium Shutters are a savvy, stylish, safety solution for windows or doors – offering real strength without compromising the aesthetics of your home, commercial or retail space.

Our product is manufactured entirely from aluminium, and can be customised to fit almost any window and door with fully adjustable louvres. Whether it is privacy, safety, or an uninterrupted view you're after, there is no need to compromise between safety or style.

Our customer feedback rating

Firstly let me thank you for your absolute professionalism and high level of service when installing our new lockable aluminium plantation shutters. Steve was great!
